Dear

Shrieval Election – Monday 25th June 2018

I am writing to let you know that I have, this week, announced my intention to stand for election as Sheriff for the year 2018/19. I do so with the full support of the Tallow Chandlers' Company and a committee chaired by Nigel Pullman.

My résumé is attached, setting out my experience and contributions to business and the City, my involvement with the Livery, and my commitment to education, young people and those in most need to help create a more inclusive society. More information is available on my website – www.richardfleck.com.

Over the next few years, the City will face some of its greatest challenges. The political environment has never been as volatile as it is now; withdrawal from the European Union is complex and damaging to confidence; new international trade relationships need to be built; and we need to rebuild “trust in business”. Recognising this, the role of the Sheriff is evolving to ensure that every opportunity is taken to promote our great City and its values.

I hope the relevance of my experience to the City's challenges is clear. However, as it seems highly likely that the Shrieval election on 25 June 2018 will be contested, I would be grateful if you could bring my candidacy to the attention of your Court and Livery and extend to them an invitation to attend a meeting and reception on Monday 13th November at Tallow Chandler's Hall (5pm-7pm).

This will provide an opportunity for you and others to hear more about my candidacy and to get to know me better.

.

With kind regards

Richard Fleck
